Dear Hiring Manager,

I am writing to express my sincere interest in the Web Developer position at Phnom Penh Autonomous Port (PPAP). As a Computer Science student at the Royal University of Phnom Penh and a Web Front-end Developer at PPAP, I have gained practical experience developing responsive web applications using HTML, CSS, JavaScript, React.js, Node.js, Express.js, PostgreSQL, Git, and REST APIs.

My experience has strengthened my technical, problem-solving, and teamwork skills. I am passionate about building modern, user-friendly applications and continuously improving my knowledge to deliver high-quality software solutions.

I would be honored to continue contributing to PPAP and am confident that my dedication, technical skills, and willingness to learn will make me a valuable member of your development team.

Thank you for your time and consideration. I look forward to discussing my qualifications with you.

Yours sincerely,

SEAB ROTHNA
